ESTACION DE BOMBERO MINIATURA 774 PCS MATERIAL ABS 50X37X6.5CM JU-41	Specifications	
 A detailed LEGO Fire Protection Station set. The main structure is red and white with blue accents, featuring a central tower with a red flag and a large red crane. A red and white fire truck is parked in front, and a smaller red fire car is to its right. A helicopter is on the roof of the station. A palm tree is on the left. The set is built on a grey baseplate with '01' and '02' markings. The words 'FIRE PROTECTION' are printed on the building's facade.	Category	All
